

The Dream and Prep Your Book Experience

Simple Writing Plan Estimate

Just for some context, remember: Writing 1000 words an hour is totally doable (less than 20 words per minute). And say you only wrote 15 minutes a day (250 words), 5 days a week, 50 weeks out of the year, you would have one 62,500 word book completed!

Roughly how long do you envision your book being at this point?

How Many Words:

Now when you divide it up into chapters you can go either by how many main points you already know you want to make (one point per chapter), or a measuring stick of 5,000 to 6,000 words per chapter.
